PROFESSIONAL EXPERIENCE

Freelance SEO Content Writer

Multiple Clients • Remote | December 2023 – Present

- Write and edit SEO-focused guest posts, articles, and website content for clients in personal injury law, criminal defense, automotive services, construction, and early childhood education.
- Research industry-specific topics, search intent, and audience needs to produce accurate, relevant, and engaging content aligned with client SEO strategies.
- Manage concurrent writing projects across more than five industries while consistently meeting editorial deadlines and client requirements.
- Proofread and edit drafts for grammar, structure, tone, readability, factual accuracy, and compliance with brand voice guidelines.
- Communicate directly with clients through email to clarify content briefs, provide progress updates, respond to feedback, and complete revisions promptly.
- Maintain organized content calendars, project trackers, and digital file libraries to support efficient workflows and smooth content handoffs.
- Develop reusable content templates and filing systems that reduce project turnaround time by an estimated 20–30%.

Virtual Assistant

Political Consulting Firm | July 2019 – October 2023

- Managed the political consultant's daily calendar, appointments, deadlines, and meeting logistics across multiple stakeholders.
- Coordinated a full campaign cycle with zero reported scheduling conflicts by maintaining accurate calendars and proactively resolving timing issues.
- Screened and prioritized incoming communications, drafted professional responses, and routed messages to the appropriate contacts.
- Conducted online research on policy topics, public records, competitor activity, and campaign-related issues to support planning and strategic decision-making.
- Prepared briefing documents, meeting agendas, correspondence, reports, and other administrative materials.
- Organized and maintained confidential digital records and filing systems, ensuring documents were accurate, secure, and easy to retrieve.
- Coordinated travel arrangements, event logistics, and vendor communications while monitoring schedules, requirements, and budgets.
- Handled sensitive information involving high-profile clients with professionalism, discretion, and confidentiality.

KEY ACHIEVEMENTS

- Supported a political consultant throughout a complete campaign cycle while maintaining accurate schedules and preventing appointment conflicts.
- Built and maintained a reliable freelance client base across more than five industries through consistent communication, adaptability, and on-time delivery.
- Met tight editorial deadlines for legal-sector clients requiring accuracy, compliance awareness, and a professional tone.
- Created reusable content templates and file-management frameworks that improved organization and reduced turnaround time by an estimated 20–30%.
